

Looking for something to do with your children at home during

“SAFER AT HOME”?

Practice fire safety

- Teach not to play with fire, matches, or lighters
 - Practice STOP, DROP, and ROLL
- Close bedroom doors at bedtime or naptime
 - Test all smoke and CO detectors

Practice your fire escape plan

- Where's your meeting place?
- What are the two ways out of every room?
- How to dial 911 and when it's ok to use.
- How to open locked windows or doors to get out.
